**Shir Appeal is an award-winning co-ed Jewish a cappella group from Tufts University.** They have traveled from coast to coast singing in a wide variety of languages and musical styles: Israeli pop and rock, traditional liturgical songs, Jewish world music, and English songs with Jewish themes. Shir Appeal is proud to be the first non-secular and only Jewish group featured on the prestigious Voices Only and Best of Collegiate A Cappella (BOCA) compilation albums, and to be featured on every Best of Jewish A Cappella (BOJAC) album to date.
