

ACADEMIC AND CAREER PLANNING (ACP)

What is the ACP?

An ongoing **process** to actively engage students to:

A **product** that documents and reflects students':

Develop an understanding of themselves

Create a vision for their future

Develop individual goals

Prepare a personal plan for achieving the vision and goals

Coursework, learning and assessment results

Post-secondary plans aligned to career goals & financial reality

Record of college and career readiness skills

Why the ACP?

 Give students the tools they need to make better, more informed, decisions about their future education and/or career paths.

How is HUHS Incorporating the ACP?

2017-18

-  ACP Homerooms take place two times per month to develop/continue portfolio components
-  Every Student has an Advisory Homeroom every Monday
-  Advisories will stay the same throughout the 4-years to foster relationships
-  Differentiated homerooms based on grade level to meet each grade level needs
-  Students utilize Career Cruising program

2016-17

-  ACP Homerooms began and students got into Career Cruising
-  Students set SMART (Specific, Measurable, Attainable, Realistic, Timebound) goals for themselves
-  Students completed Self and Career Assessments to learn more about their capabilities and career options
