Subject: **2018 Flower Barrels**

The Sage & Snow Garden Club is looking forward to the 2018 Flower Barrel season. We will be planting Fuchsia and Magenta Petunias around the barrel perimeter and fill in the centers with Silverberry Petunias. The Town of Pinedale has provided funding for us to contract someone for regular watering and fertilizing during the summer months. Please sign the bottom of the order form to allow their entry onto your property.

This year the cost per barrel will be \$35 each. Services include the barrel and liner, new potting soil, flowers, planting, aphid repellent and rooting hormone. The barrels will set out the evening of June 19th, weather permitting. We monitor the condition of your barrels and assure ongoing repair or replacement to those that are damaged. Finally, in the fall we will come around and collect the barrels for winter storage. At this time we can only plant and maintain 240 flower barrels so please get your orders in fast, as it will be **first come first served**.

The Order Deadline is May 18, 2018 - Please complete the order form and return it with your payment to:

Sage and Snow Garden Club, P.O. Box 2280, Pinedale WY 82941

Feel free to ask any gardening questions you may have about tending the barrels or your own garden plants. We extend a warm welcome to attend our monthly Sage and Snow Garden Club meetings that are held from 5-7 p.m. on the third Tuesday of each month at the Weed & Pest office.

Respectfully,
