

Faith Dickinson created **Cuddles for Cancer** when she was only 9 years old. Faith makes her signature fleece tie blankets for cancer patients going through treatments, hoping they offer comfort, warmth & love. In the past four years she has made over 2,500 Cuddle blankets. They have been sent all across Canada, the United States, England, France, Australia, Africa, Germany, Poland, the Ukraine, Kuwait, Afghanistan, Iraq & Brazil.

This December will be the **4<sup>th</sup> Annual Kids at Christmas Campaign**. Faith asks families, schools, Churches, businesses and other organizations to **sponsor a child for \$50**. This ensures that every child admitted to the **PRHC** (Peterborough Regional Health Centre) over Christmas, receives a Cuddle blanket. The name of the sponsor is included on the letter that accompanies the Cuddle blanket. Blankets are delivered on December 23<sup>rd</sup> every year.

Following the delivery at PRHC, Faith visits the **Sick Kids Hospital in Toronto** and delivers Cuddle blankets to children on the Oncology Unit. Last year, enough donations were raised to also donate Cuddle blankets to children on the Bone Marrow Unit.

**Faiths goal this year is to make 300 Cuddle blankets for the “Kids at Christmas” Campaign.**

**Donations can be made three ways:**
