## **Public Open House November 14 in Williston to provide input on the development of a statewide active and public transportation plan for North Dakota**

A Public Open House will be held from 4:00 pm to 7:00 pm on Tuesday, November 14, 2017 at Williston City Library (1302 Davidson Drive, Williston, ND 58801).

The purpose of the Public Open House is to provide input on ND Moves, a statewide active and public transportation plan for North Dakota. The plan will review and identify existing and emerging needs and recommend strategies for the future of biking, walking, rolling, and transit across the state. The Open House will provide opportunity for public input on the vision, challenges, and opportunities for these systems in the future. Representatives from the North Dakota Department of Transportation (NDDOT) and its consultant team will be on-hand to answer questions and discuss concerns.

If unable to attend the Open House, written statements or comments can be sent to Steve Mullen, Project Manager at [smullen@nd.gov](mailto:smullen@nd.gov).

Additional project information can be found on the project website at [www.ndmoves.dot.nd.gov](http://www.ndmoves.dot.nd.gov).

Additional Open Houses are taking place in Bismarck, Minot, Grand Forks, and Fargo. The dates, times, and locations of these Open Houses are provided on the project website.
