

## **Williston API Announces Achievement Award Finalists**

November 14, 2017, Williston, ND - Williston Basin Chapter of the American Petroleum Institute (Williston API) announces finalists for the sixth annual Williston API Achievement Awards.

### **Williston API Achievement Awards**

The Williston API Achievement Awards celebrate the many positive contributions and accomplishments of the oil and gas industry throughout the Williston Basin. The three awards to be presented include Industry Innovation, Community Service and Outstanding Achievement. Winners will be presented with their award during the sixth Annual Williston Petroleum Banquet.

### **Industry Innovation Award**

The Industry Innovation Award recognizes significant achievement for advancements in technology, systems, processes and the application thereof in the oil and gas industry in the Williston Basin.

Finalists are:

- • TorcSill
- • ETI
- • FlowCore Systems

### **Community Service Award**

The Community Service Award seeks to recognize individuals and organizations for their commitment to their community and contributions to community service. Nominee's contributions of time and resources bolster community pride, enable local non-profit's to meet their missions, strengthen our community boards of directors, and help solve community challenges.

Finalists are:

- • S&B Drilling
- • W.W. Grainger
- • Triangle Electric

### **Outstanding Achievement**

The Outstanding Achievement Award identifies individuals and organizations deserving of recognition for an activity or accomplishment that can be described as an outstanding achievement in the Williston Basin. It may include an individual or company that has made a significant impact over a long period of time or it may include a single event that fundamentally changes the way something is done.

Group finalists are:

- • Secure Energy Services
- • Energy Transfer Partners
- • EnerPlus

Individual finalists are:

- • Jon McCreary
- • Randy Waitman
- • Bob Reynolds

### **Williston Petroleum Banquet**

The Williston Petroleum Banquet celebrates the energy industry in the Williston Basin and all of the positive accomplishments. Industry participants and community leaders will gather to enjoy fine dining, networking and entertainment. The evening will include a program featuring award presentations and a special keynote address by Congressman Kevin Cramer.
