## **Summer Nights on Main returns to Downtown Williston**

Williston ND- Summer Nights on Main is back in Downtown Williston! For the fourth year in a row, the community event is on Main Street starting at 5 p.m. Thursdays. The event includes food vendors, a free concert, and a beer garden and is held through August 23th.

“Summer Nights on Main has been a learning process for all of us; each year we are refining the event to make it better,” said Debbie Richter, Vice President of the Williston Downtowners Association’s board of directors.

This year, to better accommodate children, Summer Nights on Main will include a family friendly chalk art area and welcome back Jumping Fun inflatables and laser tag.

Since it started four years ago, Summer Nights on Main has become a signature event for downtown and an integral part of the Williston Downtowners Association (WDA). A large part of WDA’s annual budget comes from sponsors, vendor’s fees, and beer sales at Summer Nights on Main. The proceeds also help sustain other WDA programing.

“This program provides one of the key pieces to quality of life that Williston is looking for,” said Richter. “We’re looking forward to a great summer!”

Richter noted the summer concert series’ success is due to the support it receives from the sponsors, vendors, area businesses and partners such as the City of Williston.

For more information about Summer Nights on Main contact Louise Skaare, WDA executive director, at (701) 580-9343 or email [willistondowntowners@gmail.com](mailto:willistondowntowners@gmail.com).
