Why do we do 'Angels Above'?

A message from the Little Family

*When we were children, our parents sacrificed
and relied on generous donors to help us attend
Mother Seton School in Emmitsburg, MD.*

*We believe our elementary education at MSS
gave each one of us the foundation in becoming
who we are today.*

*Before our parents passed away, we promised
them that we would continue to help other
students get the same Catholic education that
we did.*

*Mom and dad continue to be our 'Angels
Above'. Through the Jack and Shirley Little
Scholarship Fund, they continue to be 'Angels
Above' for other families wanting their children
to receive the same quality Catholic education
that we were blessed to receive!*

*To date, we have provided over \$90,000 in
scholarships to MSS students.*

Our parents, Jack and Shirley Little
