Prospects for Growth:
Reassessing the Fundamentals

Sponsorship program

The **NABE Annual Meeting** is the premier national event addressing the outlook for the global economy, finance, and trade, and the impact of macro trends and policy issues on industry sectors and businesses. Since 1959, the Annual Meeting has regularly attracted hundreds of professionals in the field of economics in addition to high-profile national and international business leaders, policymakers, and key members of the business media.

The **NABE Annual Meeting** provides excellent opportunities for companies to increase visibility through involvement in general sessions, meal functions, concurrent sessions, educational sessions, or sponsorship of networking breaks, cocktail receptions, or branded conference items. The various levels of sponsorship include a wide range of promotional tools to maximize the impact of your investment; however, the NABE staff can work with you to tailor a sponsorship to meet your company's specific goals.
