

**Extension**

# High Tunnel Twilight Meeting

Join UVM Cooperative Extension's Chris Callahan for a discussion on high tunnel ventilation challenges and solutions, and UNH Cooperative Extension's Becky Sideman and Heather Bryant for a discussion of their SARE funded high tunnel tomato nutrient and insect management study.

**To register**, please contact Heather Bryant at [heather.bryant@unh.edu](mailto:heather.bryant@unh.edu)

*If you need special accommodations to participate, please contact Heather Bryant at least one week prior to the event at 787-6944 or [heather.bryant@unh.edu](mailto:heather.bryant@unh.edu)*
