## WHEN AND WHERE?

The 17<sup>th</sup> annual Pepin Academies Gala will be held on Thursday, November 2, 2017 at TPepin's Hospitality Centre in Tampa at 7:00 pm. The Pre-Gala reception begins at 5:30 pm.

## WHAT IS THE PEPIN ACADEMIES GALA?

The Gala is the Foundation's signature annual fundraising event and brings together corporate and community friends of Pepin Academies to raise awareness and financial support for the vital work of our schools.

## SILENT AUCTION

Enjoy a silent auction with exciting items and bid right from your phone. You'll never miss an opportunity to get your best bid in! Bidding will begin on Wednesday, November 1 and conclude just before the end of the event.

## WHY WE NEED YOUR HELP

Your support of Pepin Academies is an investment in the lives of children and young adults with learning and learning-related disabilities. Your support allows us to fulfill our mission and continue to provide current and future students with educational, social and career opportunities.

# ABOUT THE 2017 PEPIN ACADEMIES GALA

Dear Friends of Pepin Academies,

We are excited to host the 2017 Pepin Academies Gala and would like to take this opportunity to thank you for your faithful investment in our students, faculty and staff! This is the 17th year that our family has hosted this signature fundraising event and we are continually amazed each year by our students' accomplishments and our faculty's dedication and excellence. We are proud to have been a part of our students' journey through Pepin Academies from the 'very beginning.

Our core belief is that students with learning differences can be completely proficient in classes, go on to post-secondary education or work-training and follow their career goals. Given patience, the proper tools, curriculum and highly trained teachers who provide them with the learning techniques to succeed, our students will continue their journey to success in life and in their careers.

We would like to take this opportunity to ask you to consider sponsoring the Gala on Thursday, November 2, 2017. Thanks to the generosity of community and business leaders like you, this annual event continues to provide vital funds to help our students succeed academically and socially in school, as well as independently in the community and workplace.

Please join with us to celebrate our students and their accomplishments.

Your Friends,

Tom and Lauren Pepin

Dear Pepin Academies Family and Friends,

We are proud to serve as chairs for the 2017 Cirque du Pepin Academies Gala: Journey of Learning to be held on Thursday, November 2, 2017. We have been supporters and advocates of Pepin Academies for many years and are thrilled to have the honor of helping Pepin Academies raise vital funds through this signature fundraising event. We are hosting a special pre-gala reception at our home on Friday, October 27, 2017 for sponsors of \$5,000 and up and we hope to see you there.

Pepin Academies provides a vital resource to our community by providing a safe and nurturing environment for students who need more resources than what the traditional classroom environment can provide. Our students are smart, witty, talented and wonderful people who happen to learn differently. Pepin Academies provides them with opportunities to enjoy all of the academics, programs, social clubs, athletics and other school activities found in traditional programs but in an environment where they are among peers and free to be themselves.

Please consider supporting the Gala this year and join our students' incredible journey to success through Pepin Academies.

Sincerely Yours,

Guy and Debbie King

## WHAT MAKES PEPIN ACADEMIES UNIQUE?

At Pepin Academies, the approach is not only all about the child, but the whole child – mind, body and soul. We offer a nurturing “whole” child atmosphere that focuses on improving academics and social achievement.

For students who qualify, therapy is provided, at no cost, with access to social workers, mental health counselors, occupational therapists, physical therapists, sensory integration, and speech language programs.
