Cobb Co. Police said a Bartow Co. man was involved in a fatal collision which occurred on I-75 Northbound, north of Windy Hill Rd., early Thursday morning. An unidentified rider of a Suzuki sport bike was traveling north when a commercial truck went into the lane occupied by the motorcycle. As the rider attempted to avoid a collision, the Suzuki's swing arm, which had been improperly repaired or modified failed causing the rider to lose control. The motorcycle and rider came to rest in the northbound travel lanes. A 2013 Mack Truck Tractor, operated by Kevin Sinyard, Kingston, was traveling north and struck the rider lying in the road.
