Introduction to Your Guide

Congratulations on receiving TheDream.US¹ Scholarship Award. This guide will help you understand how to receive and manage your award. This guide and the processes set forth herein (including the deadlines) will change from time to time. You should always check TheDream.US website for the most recent version of the Guide.

¹ TheDream.US Scholarship Program is a project of the New Venture Fund, a 501(c)(3).

Your Scholar Commitments

As a Scholar of TheDream.US, I commit:

To believe in my future and myself.

- ☐ I will thank the donors who have made it possible for me to go to college by sending a note of appreciation to: TheDream.US National Scholarship Program, 1300 N. 17th Street, Rosslyn, VA 22209

To enroll in college.

- ☐ I will enroll in my Partner College and strive to maintain a full time-status, regular attendance, and a cumulative GPA of 3.0 or better.
- ☐ I will sign up to receive text messages from TheDream.US and I will respond to emails, text messages, and other communications from TheDream.US National Scholarship Program within two days of receipt.

To persevere while I am in college.

- ☐ I will build and maintain a relationship with my Scholar Advisor by checking-in at least once per term to review my progress.
- ☐ I will work with my Scholar Advisor to develop and use an educational plan with goals for the completion of my degree. I will review and update this plan with my Scholar Advisor at the end of each term.
- ☐ If I am struggling to meet my commitments, I will work with my Scholar Advisor to develop a plan to get on track to complete college.
- ☐ I will work with my Scholar Advisor to identify and participate in available academic support programs (e.g., tutoring, study workshops, etc.) as I need them.

To “pay it forward” by supporting other DREAMers who want to go to college.

- ☐ I will pay it forward by either supporting and mentoring fellow and new DREAMer Scholars or through other service at my college or the community.
- ☐ I will support and help improve TheDream.US Program by providing feedback through surveys and online discussions and by helping promote the program to friends and family.

To graduate and join the workforce to contribute to the economic prosperity and social richness of this country and the world.

- ☐ I will keep TheDream.US Scholarship Program informed as to how I have used my education to help others and myself.

Eligibility Criteria

You must meet the following criteria to be eligible for your Scholarship:

- Be eligible for in-state tuition at the Partner College (if applicable);
- Be enrolled full-time (at least 12 credits) for each consecutive academic term (except the summer term) unless you have a confirmed break in enrollment;
- Maintain a cumulative GPA of 2.5 or higher;
- Remain current on all your college accounts and charges;
- Maintain your DACA or TPS status and or meet the immigration eligibility criteria required for the program; and
- Meet all your Scholar Commitments set forth above.

Please note: If you have applied for and received TheDream.US Scholarship, you may not apply for it again.

We recognize that there are sometimes life circumstances beyond your control that may impact your ability to meet these criteria. If this happens, you must work with your Scholar Advisor as described below. We will review your situation with your Scholar Advisor on an annual basis and determine whether you are making adequate progress toward your degree.

If your Cumulative GPA is below a 2.5:

You must work with your Scholar Advisor to develop a plan with strategies and resources that will help you improve your GPA. This plan might include an increase in the frequency of meetings and communications with your Scholar Advisor; tutoring; study groups; or other support services.

If your cumulative GPA is below a 2.5 at the time you renew your scholarship, you will be required to explain what actions you are taking to raise your GPA to a 2.5 or greater. You do not need to otherwise notify or reach out to TheDream.US or ISTS.

We will review your situation with your Scholar Advisor on an annual basis and determine whether you are making adequate progress.

Important Note: If your GPA remains below a 2.0 for more than one academic year, we will terminate your scholarship.

If you are enrolled less than Full-Time (less than 12 credits or more):

If circumstances require that you enroll in less than 12 credits or to drop below 12 credits before a term ends, you must meet with your Scholar Advisor to discuss the circumstances and develop a plan for completing your degree on time (3 years if AA; 5 years if BA). We will do annual check-ins with our Scholar Advisors to ensure you are on track.

NOTE: You are not required to take 12 or more credits if you:

- Are enrolled in summer term;
- Have less than 12 credits to complete your degree;
- Are unable to get courses you need and, thus, have less than 12 credits; or
- Are taking courses at another college and those credits, in addition to those you are taking at your Partner College, add up to 12 or more credits.

If you need to take a term off (break in enrollment):

Once you have entered college, we expect that you will attend each academic term (not including summers) until you complete your degree. If special circumstances make it necessary or advisable for you to take a term off, **you must immediately notify both ISTS and your Scholar Advisor by email and explain the reason for your leave of absence and the date you will return.** ISTS will confirm your break in enrollment. **If you do not report your break in enrollment, you risk losing your scholarship.**

You cannot have a break in enrollment for more than two terms (or three if you attend a quarterly-based institution).

If you failed to notify ISTS of a break in enrollment or you have an extenuating circumstance that requires more than two terms off, you must (1) meet with your Scholar Advisor to develop a plan for completing your degree; and (2) submit an appeal to ISTS by email with a copy to your Scholar Advisor:

- Explaining the extenuating circumstance; and
- Summarizing the plan you have developed with your Scholar Advisor.

Your scholarship payments will resume when you return to your studies at the agreed-upon date. Upon your registration, contact ISTS and your Scholar Advisor immediately so that they can process your award and ensure a smooth back-to-school transition. If you do not return at the end of the reported break in enrollment, your Scholarship will be terminated.

If you become a permanent resident or gain legal status:

While you are applying to change your immigration status, you are still eligible to receive our Scholarship. Once you obtain permanent residency status, you will no longer be eligible for the scholarship because you will be eligible to apply for federal financial aid that includes the Pell Grant, federal loans, and federal work study. You should submit a FAFSA - Free Application for Federal Student Aid - as soon as you receive legal status to ensure a smooth transition from our Scholarship to federal financial aid. When you receive your legal status, send an email to ISTS Customer Care and your Scholar Advisor and Financial Aid Advisor to notify them of your change in status. ISTS will confirm with your Partner College the term in which you become eligible for federal aid.

The Amount of Your Award

Award Amount²:

We calculate and pay your award each term of your enrollment. The amount of your award for the term is equal to the cost of your tuition and fees based on the number of credits you are taking up to the maximum term award.

The table below serves as a guide for the **maximum amount** you may receive each year and in total and the **maximum time** you have to use your award.

² **IRS Policy on Taxability of Scholarships:** You are encouraged to consult with your college's financial aid office or with your personal or family advisor to determine whether any portion of your award is taxable income that needs to be reported to the Internal Revenue Service.

If I received TheDream.US Scholarship as a ...	And I am Attending a ...	My maximum annual award is up to...	My maximum total award is up to...	To pay for...	Maximum award may be used over...
High School Graduate*	Community College	\$7,250**	\$14,500	Tuition & fees	3 years
		\$1,000	\$2,000	Books, supplies and transportation	
High School Graduate*	4-year institution	\$7,250**	\$29,000	Tuition & fees	5 years
		\$ 1,000	\$ 4,000	Books, supplies and transportation	
Community College Graduate*	4-year institution	\$14,500**	\$29,000	Tuition & fees	3 years
		\$ 1,000	\$ 2,000	Books, supplies and transportation	
*Purdue Global University, CA, NJ, and WA Scholars		<ul style="list-style-type: none"> \$2,000 for CA High School Graduate attending community college \$7,250** No stipend available New Jersey: Award will be net cost after state aid 	<ul style="list-style-type: none"> \$4,000 for CA High School Graduate attending community college \$14,500 No stipend available New Jersey: Award will be net cost after state aid 	Tuition & fees	See above

****Your award for tuition and fees will never be more than your actual tuition and fees for the term.**

Other Aid: We expect you to apply for all available state and institutional financial aid and actively seek other scholarships and grants. We will not reduce the amount of your award by institutional aid, scholarships, or grants you receive, unless your total financial aid package exceeds the estimated cost of attendance based on your living arrangement (e.g., on campus or off campus).

If you do receive other aid that covers your tuition and fees, you may use our Scholarship to help pay for other costs of attendance – including housing and meals.

Receiving and Using Your Award

Receiving Your Award:

After the term begins, your Partner College will confirm your enrollment. ISTS will then calculate your award amount for the term and wire the funds to your Partner College. It will take around 30 days for your Partner College to receive the funds after the day they submit the form. In the meantime, your Partner College will put a hold on your account so your classes are not dropped. If you have any questions, contact your [Scholar Advisor or your Financial Aid Advisor](#).

Using Your Award:

Your Partner College will apply your Award (including any stipend for books, supplies and transportation) toward any unpaid tuition and fees for the term.³

Your Partner College will disburse your stipend for books, supplies, and transportation either purchased by you through the college or, at your election, purchased with funds disbursed to you (you are required to keep receipts for all academic expenses and submit upon request from ISTS or the Internal Revenue Service).

Funds cannot be used for:

- ✓ Costs incurred before you received your award;
- ✓ Courses that do not count toward your degree;
- ✓ Remedial or developmental courses unless you earn credits toward your degree; or
- ✓ Additional required courses due to a change in your major/degree.

Note: If you fail or drop a class and need to retake it, you may do so, and you will not be required to reimburse the scholarship program for the funds paid for these classes; however, the amount paid will count against your maximum award - which means you will have less funds available to complete your degree.

Unused Funds:

Your Partner College will return to ISTS any unused funds at the end of each academic year. These funds will be available to you for future terms. Once you graduate or are no longer enrolled in a Partner

³ At some colleges, to obtain a bachelor's degree, you are required to enroll in a joint bachelor's/master's degree program that requires a fifth year. You may only use your funds for tuition and fees for this dual degree program with the permission of TheDream.US.

College, any unused funds will go back to the general scholarship fund to help another Scholar achieve their dream of a college education.

If you receive a “zero” Award:

If your costs of attendance for the academic year are fully paid for by other financial aid, ISTS will not issue a scholarship payment for that year. You will remain a Scholar of TheDream.US, have access to your Scholar Advisor, and have full participation in the Scholar Community. So long as you continue to renew the Scholarship Award, you will be able to use any unused funds in a future academic year in accordance with our Scholarship Program Guide.

Study Abroad:

Because advance parole to travel abroad is no longer available to current DACA recipients, our Scholarship cannot be used for study abroad programs.

Renewing Your Scholarship Award

You must renew your Scholarship for each academic year. You must meet the continuing eligibility requirements (see above). If you have exhausted your maximum award amount, or you have been enrolled beyond the maximum allowed time, you will no longer be able to receive the scholarship.

ISTS will send you a link to a renewal form in mid-June of each year. ***You must complete the form by the due date.*** If you do not renew your scholarship by the deadline, you will no longer be eligible and we will terminate your scholarship. The form will ask you to provide:

- Confirmation of your intent to return or transfer to a Partner College;
- A copy of your most recent unofficial transcript that includes your name, your Partner College name, your cumulative grade point average, and your cumulative credits;
- Confirmation that you meet the required immigration eligibility criteria.

Important Note: If you do not renew your scholarship by the deadline, you will lose your scholarship!

Immigration Eligibility Criteria

As part of the renewal process you will be required to attest, under the penalty of perjury, that you have DACA, TPS, or that to the best of your knowledge you meet the following immigration eligibility criteria:

- You were under the age of 31 as of June 15, 2012;
- You came to the United States before reaching your 16th birthday;
- You have continuously resided in the United States since June 15, 2007, up to the present time;
- You were physically present in the United States on June 15, 2012 and had no lawful status;
- You are currently in school, have graduated or obtained a certificate of completion from high school, have obtained a general education development (GED) certificate, or are an honorably discharged veteran of the Coast Guard or Armed Forces of the United States; and
- You have not been convicted of a felony, significant misdemeanor, or three or more other misdemeanors in the categories which would have disqualified you for DACA, and do not otherwise pose a threat to national security or public safety; and
- You will apply for lawful presence or legal status as soon as the laws allow you to do so.

Transferring your Scholarship to Another Partner College:

You may be able to transfer your scholarship to another Partner college if you have applied and been accepted to that Partner College; and you continue to meet all the eligibility requirements, including eligibility for in-state tuition (if applicable).

Important Notes:

- You may not transfer to the following Partner Colleges: **Dominican University, Northeastern University, and University of Illinois – Chicago.**
- You may not transfer to the following Partner Colleges without prior approval from the Partner Colleges: **George Mason University and Rutgers University – Newark.**

Transferring Steps:

- If you are transferring at the beginning of the next academic year, select the Partner College you are transferring to on the renewal form.
- If you decide to transfer to another Partner College after you have renewed your scholarship, or you are transferring at the end of a term, contact ISTS Customer Care via email ASAP to notify them that you are transferring, and give them the names of your current and new Partner Colleges.
- Contact your Financial Aid and Scholar Advisors at your current and new Partner Colleges to let them know that you are transferring.

- Your current Partner College will need to return any unused funds to ISTS, and your new Partner College will need to confirm your enrollment with ISTS and put a hold on your account so your classes are not dropped.

Modification or Termination of the Scholarship

TheDream.US may terminate your scholarship if, in its sole discretion, you do not fulfill eligibility requirements or your Scholar Commitments or upon the request of the Partner College.

TheDream.US may modify the terms and conditions for this scholarship program at any time, including termination of the program.

Questions: Who to Go to for What

Questions about your Scholarship Award: Contact ISTS Customer Care at the email or phone number below; indicate that you are calling about TheDream.US Scholarship Program and share your name and the Partner College you are attending.

Email: TheDream.US@applyISTS.com

Call: 1-(855) 670-ISTS (4787) and ask for the TheDream.US Scholarship Program

Questions about the TheDream.US programs beyond our Scholarship Award: Contact Tania Wilcox, TheDream.US Program Director; share your name and the Partner College you are attending.

Email: Tania.Wilcox@thedream.us

Call: 650-619-7272 (CA-based)

Questions about your Partner College's disbursement of your funds, your academic plan, or transferring from one Partner College to another: Contact your Partner College Financial Aid Advisor or Scholar Advisor listed in the Scholar Directory on the Scholar Hub: [TheDream.US National Scholars PC Directory](#)
