

When weather is a factor in school closings, delays, or early dismissals, LCS follows the more conservative decision made by either Carroll or Baltimore County Public Schools. (Example: If Baltimore County opens 2 hours late and Carroll is closed, LCS will be closed.)

In the event that school opens 2 hours late, the student lunch that can be ordered will always be a pizza meal.

Before Care is available at 7:45 am on a 2 hour delay.

In the event of inclement weather, we notify changes to our school day in the many ways listed below:

- The Sycamore homepage (rolling message in upper right hand margin).
