

- S** Search for Hazards
- A** Analyse the risk
- F** Find the cause
- E** Eliminate the cause
- T** Tell others
- Y** You are safe

# Safety

# Paranet Roundtable

This Paranet event will include Operations and Safety Managers, with a focus on Safety-related takeaways for Safety Managers to implement in their facility. We encourage Ops and Safety to attend this meeting together (2-3 people per company).

This will be a roundtable discussion format where you will share what has worked well, what challenges you are facing, issues you need to resolve, and help each other improve safety in your facility.

**Thursday, August 31, 2017**  
**8:00am – 11:00am**

The Paranet Group Headquarters  
Main Training Room  
10000 Innovation Drive  
Milwaukee, WI 53226

**REGISTER**

Areas we may cover will include:

**Effective Methods of Creating Safety Awareness for All Associates**

**Communication/Awareness Campaigns**

**Annual OSHA Requirements and Above & Beyond Training**

**Best Practices for Creating Safety Accountability**

**Safety Auditing Techniques**

**Utilization of Safety Teams/Committees**

Registration Required - See You There!
