Back-to-School Night

Thursday, August 10, 2017

We look forward to welcoming you to the 2017-18 school year at Back-to-School Night! This evening is an opportunity for you to meet your teachers, have your questions answered, become familiar with the campus, and meet new friends to prepare for the new school year. It will be an amazing year of learning and growth!

Evening Schedule

New Family Dinner - 4:30 - 5:30

New student families are invited to enjoy “sandwiches and sides” together with school administration, PTA members, and student ambassadors. (Gym)

Meet Your Teachers & Class Overview

Elementary Students

Each teacher will give a brief class overview presentation and then your child is welcome to explore the room. To accommodate siblings in other grades and avoid over crowded rooms, the same presentation will be given twice during the evening. Feel free to attend whichever time suits your schedule best.

5:45 - teacher presentation **session 1**

6:30 - teacher presentation **session 2**

Middle & High Students

Parents and students will follow their student's first semester schedule for the evening. Each teacher will give a brief class overview presentation and answer questions. Each “class” will last about 7 minutes. This format will allow you to learn about class expectations, goals, and anticipated outcomes.

Students should bring a printed copy of their class schedule from RenWeb or have RenWeb access on their phone to follow for the evening. (See the “Student Schedules” section of the Back-to-School email for details about downloading their schedule from RenWeb.)
