

*Imagine* the future of Immanuel. What do you see? Do you see a community bound together in love for one another? Do you see children singing and families growing? Do you see Immanuel reaching out to the community and engaged in the most significant challenges that face our communities? Do you see vibrant worship and people growing in the love of Jesus Christ? This is what we see.

We hope that the *Imagine* campaign has given everyone a chance to think about our future. And we hope that you are excited about what you see. This *Imagine* campaign is an opportunity for Immanuel to take a bold step toward that future. The next 3 years will be important for us as we continue to pay down the church's debt and focus our energies on the many dynamic ministries that make Immanuel a truly vibrant church.

We're almost done with the initial phase of our Imagine Capital Campaign. **June 10<sup>th</sup>** is Commitment Sunday and we hope to receive all 3-year pledges by that day.

I'm-ag-in-e! Now is when we get to the importance of those 2 words tucked into '*Imagine*' - I'M IN! The goal is to have everyone participate in whatever way they can. Every little bit helps, especially when everyone is on board.

If you are on a fixed income or enduring financial hardship, we understand. Now may not be the time to make a financial commitment. But please pray for the *Imagine* Campaign. Please speak well of it and claim the excitement of this campaign as your own. Everyone's participation is important, even if it can't be a financial commitment. The greatest gift of the *Imagine* Campaign will be that we cover our capital needs so that Immanuel can continue to offer many ministries at no cost to participants.

The future of Immanuel looks bright. As we continue to grow in faith together, striving to live into God's call, let's continue to dream together. *Imagine* what God will do!

Peace, Pastors Sara & Paul VanDeBerg
