We are thrilled that you are planning to return to Gwinnett Online Campus and we are already looking forward to the 2018-2019 school year. Below, you will find some important information to prepare you for the upcoming school year.

#GOCOWLS is the weekly newsletter sent out each Thursday to parents, students, and staff. It will be important to read this communication every week to stay informed throughout the school year. The first edition of the 2018-2019 #GOCOWLS will come to your email during the first week of August. Be on the lookout for this important newsletter!

First Day of Class is Monday, August 13, 2018. Students will have access to their courses beginning on Wednesday, August 8. While students can begin working in their courses, the official first day of classes will begin on Monday, August 13.

Learning Labs are face-to-face learning opportunities each week. These sessions are not required, but they are highly recommended. A copy of the campus schedule, including Learning Labs, is included with this letter.
