

**Seminar begins:** Tuesday, October 23 @ 8:00 am

**Seminar concludes:** Wednesday, October 24 @ 1:00pm

*Lunch and dinner on Tuesday will be provided.*

The **Profit by the Numbers** Seminar takes a deeper dive into the numbers that impact profit and will provide tactics you can utilize to improve your stores sales and car count profitably.

**Please note:**

It is a time commitment: Three (3) days away from the business

It is a financial commitment: Two (2) or three (3) days hotel and travel

It is a personal development commitment: **come ready to learn and participate!**

*This session should not be confused with and does not replace the Midas Profit Sessions or Fall Meetings. If you can only invest a limited amount of time to meetings we strongly suggest attending the Midas Fall Meetings and wherever possible the local Profit sessions conducted by the Midas field team. The Midas field team puts on a very interactive, attendee-driven one-day session where all attendees are involved in discussions focused around profit opportunities.*
