On August 26, the Sea Isle City Police Department hosted a memorial service in honor of Officer Michael Cullinane, a member of the SICPD who died in the line of duty in 1992 while rescuing a construction worker from a pit that had filled with toxic gas. The site of that terrible event is now the home of a permanent Police Memorial at 26th Street and Landis Avenue...

*"Greater love hath
no man than this,
a man lay down his
life for his friends"*
