### **South Jersey Gas Company Reliability Enhancements**

Installation of 2" and 4" yellow plastic natural gas mains will take place along 70<sup>th</sup> Street between Central Avenue and Landis Avenue, 69<sup>th</sup> Street through 79<sup>th</sup> Street (except 76<sup>th</sup> Street) between Landis Avenue and Pleasure Avenue and on Pleasure Avenue between 69<sup>th</sup> Street and 79<sup>th</sup> Street, and 80<sup>th</sup> Street to 93<sup>rd</sup> Street. The program's primary function is the accelerated replacement of aging bare steel mains with more durable plastic pipe. All excavations will be restored on a daily basis. They continue to do work on Pleasure Avenue. A temporary repair will be made in most cases until the final restoration occurs. The work is expected to be completed by May 2018 with final restorations completed by the fall of 2018. South Jersey Gas or its contractors will contact customers to gain access to properties with gas service to complete this work. Work will take place Monday through Friday from 7:00 am to 5:00 pm. There is a possibility of some work occurring on Saturdays. If residents have questions or would like more information on this project, please contact South Jersey Gas Cape May Division at 609-465-2900 Ext. 6250 and reference the Sea Isle Project.
