## **Beach Clean-Up**

*On September 23, the Sea Isle City Environmental Commission hosted their annual Autumn Beach Clean-Up and Dune Grass Planting event, which attracted scores of volunteers who cleaned hundreds of pounds of trash and debris from each of Sea Isle's shoreline and planted thousands of young grass plants in the dunes. Each of the volunteers received a free tee-shirt (compliments of Approach Clothing Company, 6300 Landis Avenue) and afterwards they were treated to a seafood buffet luncheon (courtesy of Mike's Seafood Dockside Restaurant in Fish Alley)...*

*Representatives from the Environmental Commission are shown below at the Clean-Up event...*

*Mike's Seafood Restaurant provided a hearty seafood meal for all of the event's volunteers...*
