### **HOPA (Housing for Older Persons Act)**

### **2022 Age Verification Form**

The DW Sweetgrass HOA is an age-qualified community as defined under the United States Fair Housing Amendment Act of 1988, and the Housing for Older Persons Act of 1995. At least 80% of all homes in Del Webb Sweetgrass must be occupied by a person 55 years of age, or older. To ensure that we maintain our active adult status, and in compliance with this act, the Association is required to survey the community every two years to confirm that at least 80% of the homes are occupied by a resident who is age 55 years or older; including an affidavit from each home certifying age verification. Failure to comply with these requirements could jeopardize the community's status as 55+ housing.
