

“What’s on  
my DVR?”

“Go to my  
playlist.”

TECH IT OUT 2018

# THE AGE OF VOICE CONTROL

PRESENTED BY THE GREATER PHILADELPHIA CHAPTER OF WOMEN IN  
CABLE TELECOMMUNICATIONS IN PARTNERSHIP WITH WICT GLOBAL.

“What’s the  
weather like?”

## CALL FOR SPEAKERS

### ARE YOU....

- Working on voice assistants? Apps, products, technologies or research that enable users to interact with systems using voice or speech commands?
- Building interesting Alexa skills, Google Home actions or chat bots?
- Adding mics to your devices to support Voice Interfaces?
- Designing Voice Interface strategies or Conversational Interfaces for business or consumers?
- Working on other technologies that enable and support Voice Interfaces – like voice recognition systems, AI or data mining?
- Gathering insights to measure how all of this is impacting business & society?

Wednesday, July 18, 2018

8:00am-4:30pm

Villanova University Connelly Center

800 East Lancaster Ave
