

# How to Log into your ASHI Member Dashboard

Take a few minutes today to log into your updated account with ASHI.

1. The first time you log in, you'll need to reset your password by clicking the "Forgot Password" link.

2. You will enter you email address (the email that we have one file, that you received this email to) and click "Reset Your Password". You will then receive an email with a link to set your password.

3. Once you get logged in, you can update your profile by clicking Edit Profile from the side menu on the left side of the screen.
