Professional Learning Opportunities by CALPRO

CALPRO is offering a number of PROFESSIONAL LEARNING OPPORTUNITIES for June and July 2018.

In June, CALPRO will offer the following regional Communities of Practice (CoP): *Effective Teaching for Adult Educators* (San Diego) and *Accelerated Learning to Facilitate Career Pathways* (Corona, Santa Monica, and Stockton).

In June will conclude *Optimizing ESL Instructional Planning: Management, Monitoring, and Reflection* and **Integrated Education and Training**. The following courses will begin in July: *College and Career Readiness Standards for English Language Arts Implementation and Application*, *Accelerated Learning to Facilitate Career Pathways*, and *Enhancing Learner Persistence*.

The *Evidence-Based Reading Instruction Institute* continues into the month of June; this learning opportunity is in the same blended learning format CALPRO CoPs are known for. The goal of this Institute is to provide teachers with the tools to deliver effective reading instruction. EBRI is not a curriculum or a set of materials. It's an approach to teaching reading using evidence-based practices.

Also in June, both the **Professional Learning Communities** and **Leadership** Institutes will hold their concluding sessions at the CALPRO offices in Sacramento.

Additionally, in June, CALPRO is concluding a series of Online Workshops in real time: *Integrated and Contextualized Workforce Skills*. Find out what contextualized instruction is and how it benefits your learners to succeed in the workforce. This training emphasizes the need to teach transferable skills directly and the connection between using these skills in the classroom and in the workplace. It also offers examples of contextualizing ABE/ASE and ESL instruction easily by using workplace activities and forms.

In June, CALPRO will hold its annual **Training of Trainers Institute** on the newest module titled *Mastering the English Language Proficiency Standards*.

Check out CALPRO's **online video library** including the two most recent additions *Mentoring for Adult Education Instruction* and *Increasing Rigor in English Language Instruction*.

Don't forget about CALPRO's selection of ongoing **online self-directed courses**, including the recently updated **Math Instructional Strategies**.
