

# FIRST ANNUAL CCS MENU COURSE SUMMER SPECIAL!

The courses listed are being offered at reduced cost, because we anticipate small class sizes. Students may register for these courses for \$500 each.

These are menu courses. The student will receive a report card grade for each course, but will not receive other student benefits (sports, theater, diploma, etc.). For those benefits we encourage you to consider our Satellite Program.

Students must complete an application form and pay an annual application fee of \$50. The first day of school is August 17, so that is the deadline to register.

Contact Peggy Head, at
