TURN IT
AROUND

February

My name is Oumar Balde and I am 13 years old. I am a student at the Warren Prescott school in Charlestown. Both my brother and I are in Turn It Around. I joined Turn It Around because I heard it was a good program to be a part of. I have fun at the Turn It Around events. We get to help people and let people know about all the great things we do for the community.

I know being in this group will benefit me in the future. I hope I can be an example to my peers of what a great leader is and I know Turn It Around will give me the skills to do so. Being in Turn It Around challenges me in many ways, one being that I have to talk to people I don't know, which is not always easy.

But, I know that I have a lot of support in the group and it makes me feel more confident.
