TURN IT  
AROUND

May

My name is Cristian Ruiz Santana and I am 14 years old. I just recently joined Turn It Around in January 2018 because I wanted to make my community a better place to be. I currently attend the Edwards Middle School. Living and growing up in Charlestown has taught me a lot of important life lessons and I feel like I should help teach others which Turn It Around allows me to do. I enjoy Turn It Around because my friends are in the group and it gives me something to look forward to during the week. There are a lot of fun activities and events I can be a part of too. Turn It Around is something I am grateful to have in my life.
