Kennel & Condo Sponsorship Program

For Individuals, Businesses
and Community Groups

Anderson Animal Shelter is a non-profit organization that receives no federal or state funding. Anderson spends over \$1.7 million each year to provide homeless animals with the food, shelter and medical care needed. We rely on donations from our community to help cover these costs. **One way you can help is through our Kennel & Condo Sponsorship Program.**

We offer kennel and condo sponsorships for individuals, community groups and businesses who want to show their support for the animals in our care. Sponsorships can be made in memory or honor of a beloved pet or person. Your generous donation will ensure the animals we rescue continue to receive the care and medical attention they need until they find their forever home.

You may sponsor one or multiple condos in the **Gallery of Cats** or kennels in the **Gallery of Dogs**. You will also receive the following recognition in return for your sponsorship, besides the reward of knowing you have helped animals in need:
