

Order Online at www.treetrust.org
or mail this form with your check to:

Tree Trust, MCWD Trees
2231 Edgewood Ave S
St. Louis Park, MN 55426
please make your check out to Tree Trust

We Also Sell Drip Irrigation Bags!

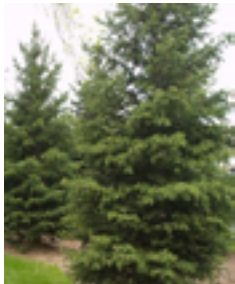

If you want to provide your new tree with the most efficient watering system, purchase a drip irrigation bag.

Simply fill the bag with water and your tree will be deeply watered over 5-8 hours. Drip Irrigation Bags can be ordered with this form or online.

Tree Choices:

Swamp White Oak
Quercus bicolor
60'h x 60'w

Larix laricina
50'h x 25'w

Redmond Linden
Tilia americana
'Redmond'
50'h x 25'w

Prairie Expedition Elm
Ulmus americana
'Lewis and Clark'
60'h x 40'w

2017 Upper Minnehaha Creek Watershed District Tree Sale

**Plant Trees
for Clean Water**

**MINNEHAHA CREEK
WATERSHED DISTRICT**

Did you know that one mature tree can absorb approximately 2,000 gallons of storm water in one year? Trees mitigate stormwater runoff by slowing down raindrops as they fall within the crown and against the trunk. The roots absorb thousands of gallons of water through the process of transpiration. Trees are amazing water purifiers and they do it all just standing there.

Our community tree canopy is at risk. We stand to lose millions of trees and their water cleaning benefits over the next 10 years due to the emerald ash borer (EAB), an invasive pest that kills all species of ash trees. The Minnehaha Creek Watershed District, cities of Mound and Minnetrista, and Tree Trust are teaming up to help keep the water clean by facilitating a tree sale to residents in your community.

Be a steward for Clean Water and Plant a Tree Today!

Please Note

- Only property owners of Minnetrista and Mound are eligible to participate.
- You may order up to two trees per property.
- You may not plant your tree on the boulevard (between sidewalk & street).
- It's the law to call Gopher State One Call (651-454-0002) at least three days before digging. They will mark buried utility lines for your safety.
- There will be no refunds for trees that are not picked up or do not survive after being removed from the pick-up location.

Picking Up Your Tree

Mound Distribution

Saturday, September 16, 2017 | 8:00am–12:00pm
5468 Lynwood Blvd, Mound, MN 55364

Minnetrista Distribution

Saturday, September 16, 2017 | 8:00am–12:00pm
City Hall, 7701 County Road 110W, Minnetrista, MN 55364

- Volunteers will be available to help load your tree and complimentary bag of mulch into your vehicle.
- Trees may be up to 6 feet tall, so be sure to bring a suitable vehicle.
- You will receive a brochure containing information about tree planting and care when you pick up your tree.
- You may pick up your tree only during the designated times. If you are unable, someone else can pick up your tree for you. If your tree is not picked up, you forfeit your tree and your payment. Remaining trees will be planted in public spaces in Mound and Minnetrista.

Order before September 1, 2017.

Quantities are limited to first-come, first-served. We encourage you to order online for the best selection.

For more information, contact Tree Trust's Community Forestry Department at 952-767-3886 or karenz@treetrust.org.
