

BLUE EAR & SAPHEARA

PART 2: SILENT THREAT

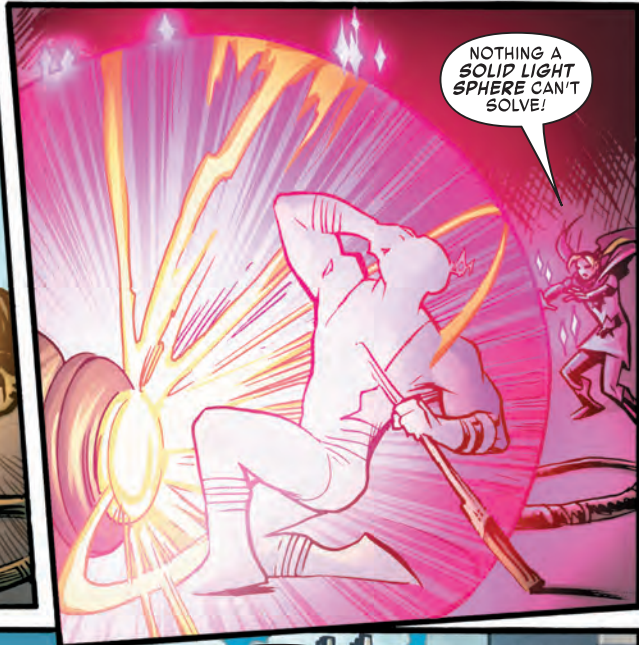

© 2016 MARVEL

DR. PEDRO PEREZ IS A BRILLIANT HEARING-IMPAIRED INVENTOR WHOSE ADVANCEMENTS IN SOUND AND LIGHT TECHNOLOGY ARE SECOND TO NONE. WHEN SAMANTHA FARRELL, A YOUNG GIRL WITH COCHLEAR IMPLANTS, TOUCHED AN ALIEN CRYSTAL IN DR. PEREZ'S LAB, SHE GAINED THE ABILITY TO MANIPULATE LIGHT ENERGY. NOW, AS BLUE EAR AND SAPHEARA, THEY ARE PUTTING THE "HEAR" IN HERO!

THE ELECTROMAGNETIC PULSE!
I HAVE TO CONTAIN IT OR THE WHOLE CITY GOES DARK!

NOTHING A SOLID LIGHT SPHERE CAN'T SOLVE!

S-SAPHEARA...?
BLUE EAR! ARE YOU OKAY?
I HAD TO ACT SO QUICKLY AND YOU WERE SO CLOSE AND--

THAT WAS MY FAULT. I...I GUESS I COULDN'T HEAR YOU FROM THAT FAR AWAY.
I SHOULD HAVE KNOWN BETTER AND FACED YOUR DIRECTION WHEN YOU WERE TALKING TO ME.
IT WAS A ROOKIE MISTAKE, BUT IT WON'T HAPPEN AGAIN.

I THINK EVERYTHING WORKED OUT THOUGH. SEE? THE LIGHTS ARE STILL ON AND--
THE PULSE...

I WAS TOO CLOSE. IT SHORT-CIRCUITED MY TECH. ALL OF IT.
I CAN'T HEAR YOU, SAPHEARA.
BLUE EAR? WHAT ARE YOU--
I CAN'T HEAR ANYTHING.

TO BE CONTINUED...
