Road to Financial Independence from Beginning to End

(Dr. Richard Laudon, 52642-PM, 2 hours)

Although each person's journey to financial independence can differ, there are key lessons for individuals to learn along the way. Successful business practices will always produce better results than academic examples. Financial illiteracy is another major obstacle. The presentation will address these issues and help participants achieve their own goal of financial independence.

Current Concepts in Cataract Surgery & Astigmatism Correction
