OUR MISSION IS SIMPLE BUT POWERFUL

For more than 40 years, the MRC has been a dynamic and thriving business service organization dedicated to the success and business growth of our members and region.

The MRC is governed by an independent Board of Advisors, all of whom have a vested interest in creating a positive economic atmosphere in the greater Meadowlands Region. As part of our efforts, we embrace local municipal chambers of commerce and local nonprofit organizations that need our assistance to connect with the broader business community

Together, our team unites for a common purpose: to build the essential connections that drive business growth and help the Greater Meadowlands region prosper.

MEMBER BENEFITS

Networking Opportunities: Whether it's early morning, over lunch or after hours, there are multiple relationship building events scheduled each month to help you connect with customers, suppliers and peers.

Visibility: We offer a wide variety of opportunities to expose your organization and your message to the Greater Meadowlands community. Members receive an organization listing on the Chamber website. Members also enjoy low-cost and discounted digital and print marketing opportunities.

Community Involvement: The Chamber prides itself on bringing the local communities together with area businesses to establish programs, committees and task forces that improve the quality of life in the region.

Business Resources: Members gain access to low-cost, high-quality business educational seminars and cost saving discount programs from member organizations, which can help to improve your bottom line.

Professional Development: As a key employer in training seminars available to your employees. Our Emerging Leaders Network and collaboration with the Bergen County & Hudson County Workforce Development Boards provide many resources.

Together we can make a difference!

SMALL ORGANIZATIONS 1-49 Employees

Business Intelligence: The Meadowlands Regional Chamber is well integrated into regional planning and development networks. We are also associated with several regional stakeholder committees. This involvement can provide your organization with exclusive access to information on initiatives, even those in early stages of planning.

Destination Marketing: The Chamber operates the Meadowlands Liberty Convention & Visitors Bureau (MLCVB) to help promote the Meadowlands Liberty Region as a premier destination for leisure and business travel. We work to bring events to the area and make a continual effort to let the world know about the region AND your organization.

Economic Impact: The Meadowlands region is a major center of economic activity in New Jersey and the Chamber plays an important role in economic and business development. We identify and take a proactive position on your behalf on issues that affect the region's vitality.

Advocacy: We represent your interests to area legislators on important business and community issues that impact the region. Those include transportation infrastructure, economic development, health insurance reform, employee training, education and workforce development. The MRC represents over 1,100 organizations with over 175,000 employees.

Public Policy Symposia: Enjoy roundtable discussions with elected officials, policymakers and government agency representatives at advocacy meetings. Topics include transit/infrastructure issues, workforce development, flood control, security and more.
