WHY SUPPORT THIS EVENT?

Draggin' Main and the Clovis Music Festival are officially one combined event called Clovis' Draggin' Main Music Festival. Clovis will truly rock this year with the tour of classic drive-ins, three nights of concerts that span several genres, Saturday's Gearhead Gathering, and the Saturday night Draggin' Main cruise down Main Street.

Vi Petty began the Clovis Music Festival 31 years ago, celebrating Clovis' rockin' history and Norman Petty's innovative recording studio. The week of events--tour of classic drive-ins, musical concerts, and cruising down main--combine for one of the largest annual events in Clovis. Over 15,000 people crowd Downtown Clovis for our Draggin' Main event, shop and eat at local businesses, and rock out at our concerts.

We have a three-day musical extravaganza this year and we are proud to announce that our Wednesday night performance will be country artist Doug Stone. Thursday night will be a tribute to the late Bobby Vee who recorded with Norman Petty, and performed many times at past Clovis Music Festivals. Headlining Friday night at Marshall Auditorium will be rock groups Warrant and Steelheart.

Thank you to all of our amazing sponsors who have made this event possible--we appreciate your continued support. Whether your objective is giving back to the community, corporate outreach and marketing or scoring premium tickets to our concerts and exclusive VIP events, it will be money well spent!

Don't wait too long, this opportunity ends May 1. Be a proud sponsor of this HUGE event, and commit to sponsor today!
