**Please Note weekend 3 is short and has NO Friday program.*

Weekend 4: (7pm) Friday, May 18 to (2pm) Sunday, May 20 (With Open House)

We are pleased to announce the dates for our spring 2018 Leadership Weekends here at Dorothy P. Flint 4-H Camp! There are lots of exciting new projects and surprises planned for you, our 4-H Youth Leaders, and we hope you can find time to join us for some (or all) of the four spring weekends.

Leadership Weekends are open to all 4-H youth 15 -17 years, regardless of whether you are a summer staff, CIT or past camper who meets the age requirement. Spaces fill up quickly, so don't hesitate and register soon!

Leadership and Work Weekends give our 4-H youth the opportunities to...

- ✓ Learn how camp works behind the scenes and help staff to open cabins and buildings previously closed for the winter.
- ✓ Practice public presentation skills and improve your knowledge of camp history by participating in our 4-H cam- tour-training and to lead tours for visitors during our open house afternoons with guidance from seasoned camp staff.
- ✓ Gain hands-on experience using Science, Technology, Engineering, Arts and Mathematic skills to complete camp beautification projects.
- ✓ Complete school required community service hours in a productive and meaningful way!
- ✓ Bond with fellow 4-H peers and develop skills in leadership, self-reflection, group management, and collaborating in groups to reach goals!

Please note that we will NO LONGER provide transportation to or from Dorothy P. Flint camp for Leadership Weekends. However, our staff can help connect you with other parents who are open to car-pooling.

Please contact Sydney Galligan with any questions and completed registration forms
