

Dear Seniors,

I hope you have enjoyed some time off from school during our winter break. Here are a few things to think about in the next couple of months regarding college.

1. Make sure you have completed your FAFSA. The state deadline is April 15, 2018, but your specific colleges may have earlier deadlines.
2. Be sure to check your student email accounts or student portals at the schools you have been accepted to, because there might be reminders about things you still need to complete.
3. If you have made a final decision about school, be sure to pay the deposit and fill out the housing information. Then inform the other schools where you were accepted that you will not be attending this fall.

Also be sure to check out the class of 2018 list of acceptances and scholarships to make sure we have all of your information. If there is anything missing bring in or email myself or Mrs. Lettich your acceptance letters or scholarship award letters.

Sincerely,

Ms. Triplet ☺
