

20 Neighbors with a Heart for Asylum Hill

Since its inception 20 years ago, the Asylum Hill Neighborhood Association has enjoyed the support and involvement of hundreds of individuals and institutions. While we can't recognize all of them, AHNA would like to celebrate the accomplishments and contributions of 20 of them at our 20th anniversary celebration on February 12. Please help us determine whom we should recognize by nominating one or more individuals or institutions that you feel have given their hearts to our neighborhood to make good, profound and lasting changes. Nominations accepted through September 11.
