parking zone yet cars often park there.

(The Public Safety Committee will address these issues at its next meeting)

City Planner: Fred Peck presented a request from Regency Towers at 30 Woodland for a variance to build an 8 foot fence at the rear of their building. After some discussion, the Board will consider the request and make a recommendation.

I-84 Update: Marcy and Rich reported that they continue to explore options. An advisory committee will be formed to discuss a potentially new transit hub in Asylum Hill. There will be more public forums in April. They are launching a new website. They requested introductions to personnel in Asylum Hill schools so that they could publicize their work in the schools.

Hartford. Health.Works: Mark reported that little progress was made in December. Several grants and initiatives might be available to help HHW.

Hartford Decides: Andre Santiago spoke about the new competition. \$250,000 will be available. Ideas and action teams will be formed soon. Voting is in March. Residents were encouraged to participate.

Fire Department: Three representatives from the Fire Department spoke about their work and their eagerness to get to know the residents. Mike Sawyer reported that in December in Asylum Hill, the fire department responded to 190 EMS calls, 5 fire calls, 33 service calls and 24 fire alarms. There are more calls for help in Asylum Hill than any other neighborhood probably because there are so many more people living in large apartment complexes. Captain Ortiz said that each fire station is a "safe space" with an open door policy.

Education Committee: The committee is seeking members and is eager to improve communication, especially about West Middle School. Volunteers are needed in the library to shelf and scan the books.

Communications Committee: The Committee will be working more closely with the Education Committee.

Community Announcements:

- Riverfront Community Church is now meeting at the 224 on Sundays.
- At the Cathedral, the Vienna Boys Choir attracted over 1300 people to a concert.
- There will be a St Patrick's Day party at Bishop's Hall.
- First Night was very successful

The February meeting will be held at 224 Farmington Ave.

The meeting was adjourned at 7:45.
