RE: 2020 CCA Host Show Bids

The National Show Committee (NSC) has reviewed the CCA 2020 National Specialty bids submitted from the Hartford-Springfield Collie Club - West Springfield, Massachusetts and the Collie Club of Central New York - Syracuse, New York.

Both bids contain the required information for presentation. The NSC is ready to assist whichever Host should win the bid.

In reviewing the bids, the board should address specific questions directly with the host bid contact.

The board may also address the NSC with any questions concerning requirements within the bid(s).

Please note; In future correspondence please do address the entire National Show Committee. At this date Martha Ramer has resigned from the committee and would not be included. With a bid submission, committee member; Darci Brown wishes to remain neutral in order to be unbiased in review of the submitted bids.

Please direct all correspondence concerning the CCA 2020 National Bids to the NSC addressed to Susan Larson [trailwind@surewest.net](mailto:trailwind@surewest.net) and Roxann Heit [timeheit@aol.com](mailto:timeheit@aol.com).

Thank you!
