

LEAGUE OF WOMEN VOTERS® OF BROWARD COUNTY, FL

October/November 2016

Volume 65 Number 9

President's Message

The **League of Women Voters of Broward County** is revved up for **Decision 2016: Presidential and General Election on November 8th**!

In Florida we know that **every vote counts** because:

- **Our vote elects the national, state, and local officials who determine public policy**
 - US President/Vice President,
 - US Senator, US House of Representatives,
 - Every Florida State Senator and Florida State House of Representative
 - City and County Officials
- **Our vote decides on the Florida Constitutional Amendments and Local Charter Amendments** that impact our lives for years to come
- And as a "swing state," **our vote usually decides our national leaders:** only 537 Florida votes separated George Bush and Al Gore in 2000, and President Barack Obama bested Mitt Romney by less than 1% of the Florida vote in 2012

With so much at stake, **League volunteers have been on the front line-- registering, informing and encouraging voters** throughout the county. Holding as many as three events a day in this critical period leading up to the election, our tireless members are:

- Registering and engaging voters to **increase voter turnout**
- Hosting and participating in **candidate debates and forums**
- Speaking on the **ballot Amendments and Initiatives**
- Informing voters on candidates, issues and voting logistics through **Vote411**
- Raising awareness on the critical **Gun Safety** issue
- Communicating breaking and important information through our **website and social media efforts**
- Supporting **Broward Vote! Coalition** partners to reach the broader diverse Broward communities

There's a lot more to do, and **I encourage you to volunteer to help promote the largest ever turnout of informed Broward voters.** Join the League at any of our many activities in the upcoming weeks. And remember to join us at **11:00 am on November 19th for a Thank You Brunch** to celebrate our volunteers.

Hard work *does* have its own rewards! See you soon.

Warmest Regards,

Jocelyn Jocelyn Carter-Miller LWVBC President

Candidate Forum

Available online or on TV

The Candidate Forum, taped at BECON-TV (WBEC) is now available any time at <https://eduvision.tv/I?ARAtEP> It can also be seen on Dish, Direct TV, and Uverse on Channel 63; or on Comcast on Channel 19

- October 22, 29, and November 5: 3:00 pm
- October 26 and November 2: 7:00 pm
- October 27 and November 3: 4:00 pm

The races covered: FL House Districts 93, 103, 104 and 105; Broward County Commission Districts 3 and 5, and Broward Sheriff.

Have you visited **VOTE411**? If not, then you'll want to scurry on over to www.vote411.org, the premier national website for trusted non-partisan League information. It's a comprehensive one-stop shop to find all the election information you need. Just enter your address to:

- Check your voter status
- Begin the registration process; see registration deadlines
- Find early voting dates, times & locations
- Find election dates
- Contact the Supervisor of Elections to request a mail-in ballot
- Find your polling place & *your* sample ballot
- Find data on candidates in federal, state, county & city elections
- Find information on state, county, city constitutional/charter amendments

Now that's a lot of election stuff, but it's not all. The unique thing about **VOTE411** is that it interacts with *you—the voter*. Compare candidates' positions, choose your candidates, vote on amendments, and text or email *your* sample ballot with *your* choices. Use this as your reference when going to the polls. Or, maybe you like to vote early. Better yet, get a mail-in ballot.

VOTE411 does all the work. No need to know your district numbers. You get information only on the candidates you can vote for---not a bunch of candidates you can't vote for. **VOTE411** is a great way to get informed. **VOTE411** is easy. It's fun. It's cool. It's techy!

Voters Service

We have amazing volunteers who continue to answer the call - no matter how last minutes it is and remain flexible - no matter how many changes are made to the schedule. Each presentation is greatly appreciated and we often receive multiple requests for additional presentations at new venues. The excellent Power - Point and talented speakers are doubling our work load and reach to voters.

The countless hours our volunteers have donated mean that voters are better equipped to cast an informed ballot. The Board invites all volunteers to join us on **November 19th** for a much-deserved *Thankyou Breakfast*. An evite will be sent to each of you (See page 6 for details).

Our **Decision 2016** presentations will conclude on November 7. But until then, there is still so much we can do to help get out the vote.

- Ask every voter (friends, family, grocery line, hairdresser, workplace) how they plan to vote: by mail, early or day of? This is a strategy recommended by **Nonprofit VOTE**.
- Remind those waiting to vote on Nov. 8th to check their new Voter Registration cards and verify their precinct location.
- Remind voters to fill out the entire **mail-in-ballot** (important amendments/county issues are at the bottom of the ballot) and **sign the outside envelope**. Encourage them to mail it in plenty of time to reach the SOE office, or turn it in at one of several mail-in-ballot drop off sites.
- Familiarize yourselves with **VOTE411**, the 4 Amendments, the Merit Retention process for Supreme Court/District Court of Appeals Judges, early voting and ballot drop-off sites. Explain that the sitting governor appoints replacements (from a list provided by committee) for court positions left unfilled by those Judges not retained.

Spread the Word on Social Media

The League is all about educating and reaching voters, and social media can be a great tool. But this effort needs your help. Here are three key things you can do to support the **League of Women Voters of Broward County** on social media.

- **Like** the **LWVBC** page on **Facebook**. You can find the Facebook page right on the front of the League's website, <http://www.lwvbcl.org/>. When you see a Facebook post from the League about which you are enthusiastic, don't just "like" it, also share it.
- When you **share** a post, your friends and family will also see it, and that helps increase our visibility. It also is a factor in Facebook's formula in determining how prominent to make our posts. (Not everybody who follows our page sees every post.)
- If you are on **Twitter**, follow the League **@lwvbcl** and **retweet** things you like. You can also find our Twitter feed on the League's website.
