

**Volunteer and make a difference!**

**Just one or two hours a week for six weeks can make a lasting impact on the lives of local youth.**

After-The-Bell is a non-profit funded by community donations offering a wide variety of [activities](#) all led by community volunteers.

You can share your skills and talents to help enrich the lives of middle school students in After-The-Bell. You will serve as a positive community role-model to help the After-The-Bell participants learn new skills, try new hobbies, and strengthen their self-image.

**Our next session begins January 24th.**

When After-The-Bell was created in Kennett Square 18 years ago, our Founders believed that people would step forward and lend their experience, their passion, and their time to keep adolescent children safe and engaged after school. They have left behind a legacy of charity and selflessness that has positively impacted the lives of close to 5,000 children.

They were right. Over the years hundreds of people have stepped forward to volunteer at After-The-Bell. Our volunteers have included working men and women, those who are retired, and those who are raising their children. They include educators, scientists, engineers, business professionals, nutritionists, cooks, musicians, artists, and writers. We have high school students seeking volunteer service hours and college students looking for internship experiences. And we have had amazing senior citizens, who make up most of our Volunteers.

All these volunteers have had one thing in common: their desire to donate just a little bit of time to make a big difference in the life of a child.

**How about you? Are you ready to make a difference?** Volunteering at After-The-Bell is both easy and rewarding. We operate on Tuesdays, Wednesdays, and Thursdays in six-week cycles in the Fall, Winter, and Spring. Our activities are one and two hours long. So, for as little as one or two hours a week for six weeks, you can share your passion and experience with our kids.
