

MATHROCKS! 2017-17 EVENT SERIES

ALL CONTESTS ARE FROM 11:00AM-4:30PM

REGISTRATION IS ONLINE:

www.NNVMath.org/events **NO onsite registration**

We believe:

Math is the creative & logical solving of complex problems

Math is fun & much more than calculating

Kids should solve problems the way that makes sense to them

We should keep learning - it's about improvement over time not just how you did today.

OUR CONTESTS ARE FUN, SOCIAL, & TEAM BASED! Students will be matched up with other students to form teams as needed.

"THE ONLY WAY TO LEARN MATHEMATICS IS TO DO MATHEMATICS" ~ PAUL HALMOS

*The Washoe County School District or the Board of Trustees neither endorses nor sponsors the organization or activity represented in this document. The distribution of this material is provided as a community service.
