When you register for our annual Training Event and Trade Show, you provide Personally Identifiable Information (PII) including your name, company affiliation, address, phone number and email. MACS Worldwide uses this information to process your requested registration and contact you to provide related information which we believe will be useful to you. We also may compile your information with that of other attendees and provide the resulting event registration list to our host hotel for the purpose of cross-checking to ensure each reservation related to the MACS event is acknowledged by the host hotel. This is in order to minimize any room attrition penalties. MACS also provides this list of convention attendees to exhibitors, who may want to follow up with trade show attendees to offer information regarding their products and services. By submitting this registration form to MACS, you consent to the usage of your PII in the manner described above.
