For those artists who have attended our show in the past, please note that several changes have been made to the event this year. These include:

- The entries will be judged by a panel of five. Acceptance into the show is dependent upon the quality of the artwork and upon the display as a whole.
- Shuttles will be provided to off-site parking at the beginning of the show and again at the end of the show. If you should choose to park nearer to your space, you will be responsible for all parking fees.
- Sidewalk spaces will be on Beach Street or Shore Road. Main Street will no longer be used for the show. This means that many artists will be in new locations this year. Every effort will be made to put you near your former space or in a space you request.
- Please keep in mind that most spaces will be in full sun.
- All items must be first quality and full price. No damaged or discounted items will be allowed.
- Those artists who were juried into the show last year (2016) need not submit photos this year.
