Michel Assouline is Head of Para-Equestrian Coach Development and High Performance Consultant for the USEF. Michel has joined US Equestrian after nearly 12 years as head coach to the multi-medal winning British para-equestrian dressage program. He brings with him a wealth of knowledge about para-equestrian dressage and dressage trainer/coach development.

Michel will also be leading the development and implementation of a trainer/coach development program, while working closely with the Para Centers of Excellence, delivering and running additional seminars and coaching sessions.

We are excited to welcome Michel to Ride On and to the US!

Join Ride On for a Cocktail Reception

Ride On will also be hosting a Cocktail Reception at their beautiful facility
