Seeking a friendly and energetic general dentist for Monday and Thursday. Our patients are mostly Spanish families with insurance.

35% of production;

Guaranteed day minimum.

Please send CV to woodsidedentist@gmail.com

Ref# J186

General Dentist – West SoHo

A multispecialty practice, with a new location in West SoHo is seeking an energetic and dedicated general dentist. This is a great opportunity for a dentist seeking to grow his/her own practice, while also gaining referrals from dentists within the practice. The ideal candidate will not only possess excellent clinical skills and chair-side manner, but also be motivated to grow the practice by establishing a larger patient base. The dentist will work directly and have regular access to the practice owner.

The practice is a brand-new facility already equipped and ready for operation. It is located in West SoHo, has street visibility and possesses everything one needs to comfortably practice dentistry.

Compensation is flexible and dependent on a variety of factors, including experience and current patient base. There also may be future opportunity for buy-in and ownership.

To begin a discussion about the position, please submit a cover letter and resume with your relevant work experience. Please email JobOpportunity7822@gmail.com

Ref# J185

Looking for an associate dentist.

For details please call 718-268-7273

Ref# J181

General Dental Associate Wanted – Brooklyn, NY

Compensation: **33% of collections/daily minimum commensurate with experience.**

Employment type: **contract**

Dentistry at the Heights is looking for a General Dentist to join our dental team. We are a busy, system oriented practice with the latest technology including digital x-rays and charting, CAD/CAM and CBCT.

Available Days and Hours: Three days a week wanted (Mondays 7:45am to 6pm, Wednesdays 7:45am to 6:00pm and 2 Saturday's per month 7:45am-6pm are required) plus one other day with opportunity to add an additional day(s) shortly.

Expectations include:

- At least 3 years experience in clinical practice
- Must maintain a current license in New York State
- Have a current malpractice insurance policy
- Diagnose and treat patients in accordance with the Office Treatment protocols centered around patients wants and needs
- Do "We Care Calls" at the end of each work day
- Attend morning huddles
- Review patient notes and charts for accurate charting and documentation
- Maintain CPR certification

Candidates should be proficient with diagnosing basic dental conditions, must be proficient in designing a well organized treatment plan based on the patients needs and wants, as well as perform and sell the latest cosmetic dentistry procedures such as Invisalign, Zoom 1 hour whitening, porcelain and composite veneers, implant placements, implant restorations, anterior composite fillings, posterior inlays and onlays and more! Proficiency in Molar Root Canals and extractions is a MUST. If you are looking to work in a higher end practice, as opposed to a clinic or dental mill where patient care and/or your morals are compromised, then this is the position for you!

We are seeking someone willing to take continuing education to learn new techniques and the latest technologies. The practice is very team driven with an emphasis on collaboration versus working solo. Each operatory is equipped with state-of-the-art equipment for showing patient education videos. Great opportunity for a driven dentist with lots of opportunity for both personal and professional growth.

Candidate should possess exceptional communication skills, have a friendly and outgoing attitude/personality, deliver 5 star customer service, and should be able to manage multiple priorities in an organized manner. We are looking for someone who understands the "business of dentistry", is highly competent, caring, gentle, empathetic, confident, and can work independently without having to be micromanaged. We are looking for dentists who can meet the challenge of monthly production goals. Candidate must be able to speak, understand, and write clear and fluent English. Proof of current CE courses is also attractive. We'd like our dentist to be current on the latest trends in dentistry and have an invested interest in their career. We want the best of the best!

Compensation: base plus production bonus (33% of collections) with an opportunity for a full benefits package.

Our practice is 80% PPO/20% non-insured. No medicaid/No capitation

Check out our website at www.heightsdentistry.com

If this sounds like something you would be interested in please submit your C.V. and cover letter to kevin.trotter@heightsdentistry.com. Resumes without a cover letter will not be considered.

Attendings Needed – Brookdale Hospital Medical Center

We are happy to announce the expansion of our residency program! We are looking for enthusiastic attendings to join our team in training the next generation of dentist at Brookdale Hospital Medical Center. The following positions are available:

GP Attending Position

Brookdale Hospital and Medical Center is seeking a General Practice Dentist who is competent in the treatment of developmentally disabled and handicapped patients in an OR setting. This position is for two days per week involving the education of Residents and the preoperative, perioperative and post-operative care of these patients. The candidate must be a graduate of an ADA accredited School Of Dentistry and a General Practice Residency. Compensation is commensurate with training and experience.

Prosthodontist

Brookdale Hospital and Medical Center is seeking a Prosthodontist for the education of General Practice Residents and Oral-Maxillofacial Residents in proper treatment planning in prosthetics, implant restorations, and implant placements. This will include developing a formal lecture series in the subject with emphasis on implant case selection, denture construction, the effect on the TMJ and routine removal and fixed prosthetics. The Candidate must be a graduate of an ADA accredited School of Dentistry and a graduate of an ADA accredited Prosthetic Residency or Post Graduate Program. Compensation is commensurate with training and experience.

Pediatric Residency Director

Brookdale Hospital and Medical Center is seeking a Board Certified Pediatric Dentist to Direct an American Dental Association full Accredited Residency Program. This position entails the Supervision of the education of Graduate Dental Students to become Specialists in Pediatric Dental Medicine.

The Director will coordinate lectures, present lectures and actively seek guest lecturers for the advancement of the Residents. The Director will be a liaison between the hospital and any University Affiliate. He/she will prepare all educational reports, surveys and questionnaires as requested by the American Dental Association. He/she will be responsible for the coordination for General Anesthesia and Sedation for Pediatric Rehabilitation patients for the OR as well as the Clinic setting.

The Director will be responsible for lectures in Pediatrics and Orthodontics as it applies to residents in General Practice and Oral Maxillofacial surgery. Organize and schedule off campus events, such as Health Fairs, school events and Give-Kids-A-Smile program.

Educational Requirements: Graduate of an ADA Accredited School of Dentistry and an ADA Accredited Post Graduate program in Pediatric Dental Medicine, credentials in oral sedation and Board Certified in Pediatric Dental Medicine. Experience in teaching on a graduate level preferred.

Brookdale Hospital is located in East Brooklyn, New York, a highly underserved area of the City of New York.
