

Teacher Appreciation Week May 8 - 12

Hey Parents!!!

It's Teacher Appreciation Week at BCA! We have the best teachers in town! They truly love our kids. They challenge them daily to learn and grow not only academically but spiritually as well. Show them how much you appreciate them next week by sending in special treats each day. The theme for each day is listed below as well as a few preferences for your child's teacher. The PTL will be providing lunch each day next week. If someone would like to volunteer during lunch to give the teachers a break, please contact me to set that up.

Thanks so much!
