

Belvoir Christian Academy's Kindergarten Options

Belvoir Christian Academy now offers a half-day kindergarten program along with the traditional full-day program.

The half-day kindergarten program is from 8:15 a.m. to 12:15 p.m. During the morning hours, students receive core academics as well as special classes such as Spanish, P.E. and music. They receive a morning snack but do not eat lunch at school.

The full-day kindergarten program is identical during the hours of 8:15 a.m. and 12:15 p.m. However, at 12:15, children staying for the full day will eat lunch and have a rest time and recess (*lunch not included in tuition for K and above*).

After lunch, the teacher will provide an enrichment period, rotating between a literature, math, science and/or social studies activity. These activities are intended to reinforce and enhance academics covered during the morning.

At 3 p.m., full-day students are dismissed to go home or go to our aftercare. After-school child care is available until 6 p.m., and parents may choose to have their child in aftercare all five days of the school week or choose another combination of days.
