

Annie, Kobe and Chad Barajas

Kobe Barajas has a terminal brain tumor. He is 13 years old and has been dealing with brain cancer since he was 9. He is not expected to live more than 6 more months. His mother is Annie Barajas who attended Trinity with her parents Rane'e and John Les Callett in the 1990s. Annie has had to quit work to take care of Kobe and his twin brother Chad. The family has less income than the rent right now.

They are getting help from the River City Food Bank for food for the family. You can send cash donations to Trinity Cathedral marked "For Kobe" or put them in the offering plate on Sunday marked "For Kobe". You can also help by donating gas cards or grocery gift cards for Safeway or Save Mart. They can be placed in the Floyd School box and I will pick them up and give them to the family. Please put gift cards in an envelope and write Barajas Family on the envelope.

Note: Donations are NOT tax deductible
